POST OFFICE BOX 40888 • SAN FRANCISCO, CALIFORNIA 94140 U.S.A.

AUCTION 30

Closing September 25 1994, Sunday, 6:00 p.m. USA Pacific Time

Collectors of French tokens will find a substantial offering of WWI and 1920s emergency piece, both from metropolitan France and the former African colonies. Mexico tokens are well-represented as well as a series of Mitad tokens from Colombia. German tokens present a wide selection. So do the Portuguese and Madeira Islands series. Another group of emergency coins from the Spanish Civil War can be found.

Lot descriptions are of necessity brief and oriented to numismatists. Sizes are in millimeters, although larger paper pieces are often in inches. Tokens are round unless otherwise indicated. Materials are shown as Al, Br, Cop, Ir, Ld, Nkl, Zn or Pl (astic). When parentheses are used it means that the information enclosed is not in the token legend or describes some device on the token. Catalog numbers are often used to aid description, e.g. (L#101.3) and refer to the most standard U.S. work on the topic at hand. Since listing each reference would be too cumbersome, please write if you need to know which. Dollar values written simply (\$5) mean a suggested bidding range. An MB or Res. enclosed with a dollar value in parentheses (e.g. (MB\$25)) means a "Reserve" or "Minimum Bid". Grading can be only approximate in a series as varied as tokens. Especially when tokens are crudely made, grading is at best subjective. I try to be conservative and in most cases have reduced items by one grade where there is any question in my mind. Comments on my listings and methods of operation are always welcome.

Please remember that a Bidder's Fee of 9% will be added to the sale price. A change has been made in Rule 3 to increase fairness in bidding. Thanks.

NEW! French Advertising Tokens (Jetons Et Medailles Publicitaires Francais) by Roland Elie (1994) 315pp, perfect binding. Lists merchant tokens without denomination by town. Special sections are set aside for colonial issues, counterstamps and the first separate listing of French brothel tokens (Maisons de Tolerance). Well-illustrated, priced. In French with English word list. \$49.00 (Calif. residents add 8.5% Sales Tax.)

1. The sale closes at 6 p.m. USA Pacific Time on the date noted above or until 15 minutes pass with no additional telephone bids. Lots are sold to the highest bidder. In the event of tie bids the lot goes to the earliest arriving bid. Bids of only a few cents difference will be considered tie bids.
2. Bids must be in U.S. Dollars and those under \$3 are respectfully declined.
3. Winning bids will be reduced to a 10% advance over the next highest bid, or the Reserve (Minimum Bid) if any. In the event there is only one bidder, bids will be reduced to the published estimate, but not lower. The maximum reduction will be 65% of the highest bid in any case. Bids will not be reduced under \$25. In general acceptable bids will be those that are at least 60% of the published estimate.
4. Successful bidders will either be billed first or sent winning lots with the bill if they are established customers. Postage, shipping and insurance costs will be added to the invoices where such are appropriate. There will be a minimum charge of \$1 for postage and processing. A Bidder's Fee of 9% or \$1 will be added whichever is higher. California residents must pay 7% Sales Tax. Overseas customers must accept responsibility for postal delivery.
5. **Prices Realized:** please order them when you submit your bids. Do not send payment. I will include the cost with your bill, \$1 per copy.

7. **Lots Made Up of Multiple Pieces:** In most cases these consist of items which are a) very common, b) badly worn or damaged, c) issued after 1950, d) of little collector interest or e) all of the above. Please bid accordingly. I try to describe them as much as I can afford the space, but because of their nature descriptions have to be limited.

BIDDING BY TELEPHONE? My number is (415) 648-8634. The best hours to reach me are 7-9 a.m. USA Pacific Time. However the least expensive and most certain means to bid is by mail even if only on a postcard. At times business may keep me away from the phone for days. I will accept bids over the phone during the week prior to closing. Current bid levels are available from the computer. However if you request such information, you must bid at least 10% over the highest in order to have your new bid qualify. For items quoting under \$10, you must bid at least \$1 more to qualify. For those who like to call in bids at the last minute, I will have all current bids posted during the last week before closing, but often at the end of the last day this is not possible when they come in rather quickly. 98% of all successful bidding is accomplished with high bids by mail.

SAN FRANCISCO, CALIFORNIA 94140

U.S.A.

After the 1906 earthquake and fire had destroyed San Francisco's Barbary Coast (and half the city as well), saloon and dance hall entrepreneurs were quick to re-open. Louis Vannucci's **Leader Dance Hall** had ragtimers stepping by early 1907. (See Lot 96)

Its full story can be found in my new booklet: **The Old Streets of San Francisco: Early Street Names On Some Brass Tokens.** Disused thoroughfare titles provided the inspiration. The publication covers Chinatown, slot machines, brothels and other token topics, as well as the Barbary Coast. Maps, photos, and drawings amply illustrate the work. Price: \$6 (Calif. residents add 50c tax.) All sales benefit Pacific Coast Numismatic Society.
